### 2007 Costa Rica Soccer Tours

"Our players have made the commitment to raise money for this worthy cause and earn all of their travel expenses. Through your support, they are learning the invaluable lessons of hard work, taking responsibility, and working toward a common goal. That makes your contribution worth much more than just money. Thank you for your generous support and friendship!"

Dear Friends & Family,

We hope all is well. Our college soccer team has been granted the opportunity to travel abroad for the summer of 2007. This is a once in a lifetime event where we will be able to experience the culture of another country as well as their soccer traditions. This trip will allow us to spend nine days embracing the Costa Rican way of life.

Our visit will be formatted in a way such that we will participate in four international friendly matches. This is an incredible opportunity for our team to prepare for the 2007 season. The game experience will not only assist us technically on the field, but it will also provide us with a greater understanding of this international sport we love.

The Lynchburg College Women's Soccer Team prides itself on a dedication to excellence. Our recent successes, such as conference championships and national tournament appearances, are evidence of the aforementioned dedication to this soccer program. We believe that this trip will have a positive impact on our subsequent season.

Unfortunately, an opportunity such as this will cost a great deal of money. Each player on our team is expected to fundraise in order to cover the expenses of this trip. We are reaching out to you to help alleviate some of the costs in any way that you may be able. Any donation on your part would be very helpful and much appreciated. The attached sheet explains the format for donations and a hierarchal system of gifts that we will be awarding.

We are incredibly eager to partake in such a unique experience. The cultural enlightenment which we will endure is indispensable to not only our soccer careers, but to our lives as well. We are currently seeking service opportunities of any sort to participate in during our endeavors. We are hoping to give back to a country that is providing us with a once in a lifetime experience.

For more information or if you have any questions, please contact Coach Liz Nickerson at [Nickerson@lynchburg.edu](mailto:Nickerson@lynchburg.edu) or 860-670-5707. The deadline for donations is December 20, 2006.

Thank you again for your support. We sincerely appreciate your help.

Warm regards,

*Ashley Meyer*
