Athlete of the Month: **JARED DUSHA**

Congratulations to Jared Dusha (12) for being chosen as athlete of the month. Dusha is a sweeper and captain for the Glendale soccer team. Dusha has been playing soccer ever since he could remember.

"I have been playing soccer ever since I could walk and started playing on teams when I was two," Dusha said.

Dusha had high expectations for the team and for himself in his last season.

"This season I wanted to lead my team to the farthest place possible," Dusha said.

The team made it to the quarterfinals.

Dusha has loved the game since he started playing, but with the love of the game comes obstacles that he has had to overcome this season.

"I have had to overcome the stresses of college decisions as well as asking myself if I'm being a good enough leader," Dusha said.

Dusha loves soccer for many reasons.

"I like soccer because it's a way for me to express myself. In leadership, determination, and athleticism," Dusha said.

Dusha was named defensive player of the year and first team All District.

Although Dusha has not decided where he would like to attend college he plans on playing soccer in college. He has decided what he would like to study.

"I would like to study Architecture or Engineering," Dusha said.
