Message from Papa

I have really enjoyed coaching this group of girls this season. Some have been in the program for 4 years and some just came out this season which has been awesome. We always talk about no team drama and I can honestly say this group enjoys being together and competing together. They are very respectful of the coaching staff and work hard every day to improve. I hope when they look back on their years at Glendale soccer the scores and titles will fade but the friendships, laughs, story times, prom talks and other great Glendale traditions will be the highlights of their time at the G.

I let go! Otto cried. I'm floating on my own and I am fine!

All My Best and All My Love! Papa

Ashley Blackwell

When did you begin playing soccer/How many years have you played soccer?

7th grade/6 years

Favorite Glendale soccer memory?

When Kristin Knetzer was running backwards during a game and tripped on her shoe lace.

Playing for Coach Rogers?

Playing for Coach Rogers is something I look forward to every year. He is always there to push us to work harder and without him Glendale soccer would be impossible.

Post Graduation plans?

I will attend Missouri State University.

Advice for Future Falcons?

When things aren't going your way, never give up and keep working hard. Always play to win no matter what.

<u>I would like to thank:</u>

I want to thank both my parents for always being at my games and supporting me no matter what the weather is like. Thank you for your love and support, I couldn't do it without you.

Papa says:

"Spud is one of our 4 year players and a sweet kid to be around. She is always positive and looking to laugh with her teammates. She will play in the midfield and up top for us this year and I look forward to her teammates cheering her on as she scores a game winner."

Papa says:

Emma Brand

<u>When did you begin playing soccer/How</u> <u>many years have you played soccer?</u>

This year as a Senior, so 1 year.

Favorite Glendale soccer memory?

I'd have to say my favorite memory was Brooke "tooting" on the bus to St Louis.

Playing for Coach Rogers?

Probably the little things. A pat on the back after a tough game, making me feel that he always has confidence in me. I'm grateful for that. Thanks for an awesome season, Coach!

Post Graduation plans?

"EB is playing keeper this season, her first and she is a I will attend Concordia University in Nebraska to natural. She wants to learn and has the work ethic play volleyball. and attitude to be successful. She continues to get

better each time the whistle blows and her teammates have the confidence in her to defend the goal."

Advice for Future Falcons?

Make sure to run to the right goal after half-time. (just kidding) Seize every opportunity thrown at you. Make the most of everything and keep a smile on your face!

I would like to thank:

I want to thank all of the girls that encouraged me to play this year. You all believed in me before I did and I'm thankful for that! I want to thank the coaches for being patient with me and helping me learn the game. Thanks to my parents for supporting all my crazy adventures! I love you all.

Emma Bunselmeyer

When did you begin playing soccer/How many years have you played soccer?

I've been playing since I was 4 years old.

Favorite Glendale soccer memory?

This year in St. Louis - it was so windy that Emma Brand's punt blew backwards and went out the back line giving the other team a corner kick.

Playing for Coach Rogers?

Coach Rogers was the first coach to play me at Center Back and now I will be playing that position in college. Playing for Coach Rogers has been a blast and I'll really miss playing for him. Thanks for everything "Papa" !!

Post Graduation plans?

I will be playing soccer at Drury University and studying to be a Physical Therapist.

Advice for Future Falcons?

Play soccer!! It doesn't matter if you've ever touched a ball or not! It's the most fun you will have at Glendale!

<u>I would like to thank:</u>

My family for always supporting my decisions and encouraging me. Coach Rogers and Coach Keisker for helping me become a better player and teammate. And most importantly God for giving me the ability and opportunity to play soccer for so many years.

Papa says:

"Bunsy is another 4 year player for us and serves as a team captain. She is a great competitor and hates to lose which is a great attribute. She is pushing her teammates this season to get better each game. We will look for her experience and vocal leadership in post season. She will stay in town next year and play for the Drury Panthers and I know she will have a great career.."

Papa says:

"Ke is a very versatile player and has proved she can play on the outside mid and score goals. She works hard every time the whistle blows to help her team be successful. She was also influential in getting her younger sister to come out and play this year."

Keaira Clancy

<u>When did you begin playing soccer/How</u> <u>many years have you played soccer?</u>

I played a couple of seasons in my childhood and all three years in middle school.

Favorite Glendale soccer memory?

When Kate asked Papa and Keisker if they knew I was black or if they just thought I was tan from going to Puerto Rico for Spring Break.

Playing for Coach Rogers?

I first joined the soccer team as a freshman because I heard that the players got some "sick" pullovers so I was going to play one season to get one. But, after meeting Papa there was no going back. He provides an atmosphere that's unlike any other team I've been a part of. I've learned a lot and I'm glad I got to play for him.

Post Graduation plans?

I will attend Washington University in St Louis and study Pre-med.

Advice for Future Falcons?

Don't forget to laugh. You're on the team to win games, but your teammates are your best friends and before you know it, you'll be a senior parting ways. So laugh and make memories that will last a lifetime.

<u>I would like to thank:</u>

My grandparents for giving me the opportunity to be involved with so many sports. I'm pretty sure that I've spent more time on a field or court than in my house. I couldn't be more thankful for the close friends and many memories I've made along the way. Thank you and I love you guys more than anything!

Teaira Clancy

<u>When did you begin playing soccer/How</u> <u>many years have you played soccer?</u>

I was in kindergarten, I think.

Favorite Glendale soccer memory?

When Emma Bunselmeyer took a pretty hard ball directly to her face at the tournament in St. Louis and kept playing like nothing happened!

Playing for Coach Rogers?

The reason I decided to play soccer was because I heard that he was an amazing coach. Well, they were right! This guy is one of the greatest coaches I've ever played for. I finally understand why everyone calls him "Papa."

Post Graduation plans?

I will attend Rockhurst University in Kansas City and major in Physical Therapy.

Advice for Future Falcons?

Do as much as you can while you're here. It might be difficult sometimes, but it is worth it.

<u>I would like to thank:</u>

My grandparents & family for being an amazing support system. My sister for always pushing me to do better and be better. My teammates for always encouraging me. Coach Rogers for making me feel welcomed and making soccer season a blast!

Papa says:

"Lil' Nug is one of the fastest players to play soccer at Glendale. We hope to put her in a spot to be successful this season and she has already shown that she has a knack for scoring. I'm glad she decided to come out and play her senior year."

Papa says:

"Knetzy is another 4 year player and has an older brother that also played 4 years and wore the patch. She serves as one of our captains and is having a great senior campaign. She stands out attacking in the open field and has scored some great goals this year already. We will rely on her leadership in post season."

Kristin Knetzer

When did you begin playing soccer/How many years have you played soccer?

I started playing soccer at age 6, so 12 years.

Favorite Glendale soccer memory?

My sophomore year when Papa came into the locker room and made us blast the song "I want Candy" as he passed out the blue and white candy striped jerseys.

Playing for Coach Rogers?

I'm so thankful that I have had the chance to play for Papa. Soccer season wouldn't have been the same without his jokes and sarcasm. It's been awesome to have him as an example and role model.

Post Graduation plans?

I will attend University of Arkansas and major in Chemistry for Orthodontic school.

Advice for Future Falcons?

Make sure not to make Keisker mad and always roll the goals instead of carrying them because it's easy THEY HAVE WHEELS!

<u>I would like to thank:</u>

I want to thank all the coaches that make Glendale soccer the most fun sport at Glendale. I want to thank my teammates for always making me laugh and for having my back. And, to my parents, thanks for supporting me all these years and giving me any opportunity I could ask for. I love and will miss all next year!

Morgan Zimmerman

When did you begin playing soccer/How many years have you played soccer?

This year!! I've never played before now!

Favorite Glendale soccer memory?

My favorite memory is scoring the game winning goal in the Joplin game! Also, getting to play with amazing teammates!

Playing for Coach Rogers?

Playing for Coach Rogers has been a great experience. I really wish I would have played for him all 4 years because he never takes things too seriously and he made me feel like a part of the family since day one! Thank you Coach Rogers for teaching me about soccer and including me as part of the family!

Post Graduation plans?

I will attend the University of Missouri and major in Business.

Advice for Future Falcons?

Always work your hardest and give 110% everyday. Don't take any moment for granted and just remember to have fun!

<u>I would like to thank:</u>

I would like to thank my parents for always supporting me and sitting out in the cold to watch me play. I would like to thank my teammates for making me laugh as well as telling me what to do when I didn't know what I was doing. Finally, I would like to thank the coaches for making this a season to remember.

Papa says:

"Mo is always smiling but she is a fierce competitor. When we make adjustments based on the opponents stronger players, she wants to be the one to play against those players. She has already scored a game winner for us this season and I hope she has a few more of those left for post season.."
